The *History of English Literature* (1969) is a 1,000-page volume that covers the history of English literature from the Middle Ages to the present. It is a comprehensive survey of the field, written by a leading scholar in the area. The book is organized into three main parts: the Middle Ages, the Renaissance, and the Modern Period. Each part contains a detailed overview of the literature of the period, as well as a list of recommended readings. The book is a valuable resource for students and scholars alike.
